Image Intelligence

1.   Initial Write-Up

Description:

During our research of several subjects we have discovered images which may be useful in tracing people we are particularly interested in. This pack contains three images which we suspect that your security consultancy may find little difficulty in answering our questions about.

2.   Challenge specifications

- Category: OSINT
- Difficulty : Easy

3.   Questions and answers

Image1a: What is the name of the railway station in this picture?

Answer: Gare du Lyon

Image1b: What village was this picture taken in?

Answer: Old Manali

Image1c: What is the name of the street where this picture was taken?
